## STEWARDSHIP 2024

The uniquely vibrant leadership at Shepherdstown Presbyterian Church has been busy planning operations for the year 2024 - powerful mission and social justice outreach programs, adult education, children's programs, and inspired worship.

Stewardship season is the opportune time for members and friends to pledge their support for all the ways SPC shares its messages of *Engaged Compassion, Radical Hospitality and Holistic Spirituality*.

By pledging to SPC's Operating Fund, you contribute to the salaries of our pastor and staff, our program offerings, and to general property maintenance and other ongoing operating costs. You also provide support to various local, national and international ministries.

Our Building Fund, maintained separately from our General Operating Fund, is used to preserve and enhance our historic meeting house and infrastructure. This fund is currently at a sufficient level. Therefore, we are not requesting building fund pledges at this time. If a need is identified in the future, we may issue a separate pledge request.

There are exciting reasons this year to support SPC. Our choral and instrumental music programs are in full swing. In addition, the growing program of social and educational activities that SPC now offers our children and youth is another area of focus where additional funding would be beneficial. Please consider increasing your pledge by 5% this year with these and all of SPC's important ministries in mind.
