

## FRIENDS OF IMCK ANNUAL REPORT FOR 2021

### FRIENDS OF IMCK MISSION STATEMENT

The mission of Friends of IMCK is to expand awareness about and concern for IMCK in the interest of raising donations for a permanent endowment for IMCK.

In 2021, after ten years of development, the IMCK Endowment Fund ("Fund") met and surpassed the \$1,000,000 mark. This milestone began the long-awaited disbursements to the IMCK Board. All donations to the Fund are invested in high-quality mutual and exchange-traded funds (ETFs). Distributions are made only from the growth above the \$1,000,000. A rolling three-year average of gains determines the disbursement amounts. As the Fund principal grows from future contributions, we expect the distributions to increase.

Friends of IMCK made two disbursements in 2021, one in the spring and one in the fall. Disbursement funds were used for reagents for the laboratory and radiology departments, some workers' salaries, and some retiree benefits were finalized.

Our annual Matching Gift Campaign for 2021 was in honor of Bernard Kabibu Bimvulu who served at IMCK for a total of twenty-eight years, and the last fifteen years he served very ably as the IMCK Administrator (2001-2016). Response from our donors has raised over \$135,000.00!

In 2021, we accepted the resignations of four members of our board: Bill Rule (the founder and longtime treasurer of Friends of IMCK), Rev. Shannon Jung and Dr. T. Gordon Smith (both were past presidents), and Thom McCutchen who contributed greatly to our board. All will still contribute as outside consultants. This year we have brought on four committed and talented board members: Kent Galloway, Holly Miller, Dr. Merle Miller, and Dr. Sue Makin. You can read more about these new board members on our website at [www.imck.org](http://www.imck.org).

We are proud to report that an article written by Rev. Shannon Jung was published in the September 10, 2021, issue of the [Presbyterian Outlook](#). It is titled, *Serving the Underserved in Congo*. The article relates some of the history of IMCK (which was founded by American Presbyterian missionaries), and the mission of Friends of IMCK to build an endowment is highlighted.

Other accomplishments in 2021 included FIMCK board members and donors facilitating a repair of the hydroelectric plant, repairs and spare parts for the oxygen generator, assistance with maintenance of oxygen flow meters, and delivery of 4000 N95 masks.

### IMCK REVIEW

In the 2020-2021 academic year, 127 students enrolled in ITM (nursing-100; lab tech- 27), and 124 completed the year of study. 307 students enrolled in ISTM (Midwifery-76; pediatric nursing-158; lab technology-60; nutrition-13). 175 students succeeded in the first session, and 78 received their academic degrees.

Forty-four medical students (18 from *Université Protestante au Congo* in Kinshasa, and 26 from the *Université Notre-dame du Kasayi* in Kananga) served their clinical rotations with IMCK working at the Good Shepherd Hospital, in public health projects and clinics, and at the PAX Clinic.

Nearly 22,000 men, women and children were seen at the Good Shepherd Hospital and at the PAX clinic in 2021; 11% of that number were admitted. Among those admitted, there were 576 births, 182 malaria cases, 27 HIV cases, and 5 were admitted with Covid-19 symptoms (3 survived). The Community health department recorded 123 cases of malnutrition for 2021 – 95.9% of these cases were cured.

## FINANCIALS

Friends of IMCK is committed to transparency with both our donors and our partners. Please review our 2021 financial results following.

<b>Beginning Balance</b>	<b>\$1,090,539.85</b>
<b>Income</b>

**LEGACY GIVING: A Note From The President**

**Walter B. Hull** served at IMCK for 25 years, along with his wife, Nancy. The Hull family asked that memorials be made to the IMCK Endowment. It is a testimony to his far-reaching impact and influence that so many and varied donors recognized the life and ministry of Dr. Hull by giving to the IMCK Endowment. Memorials, estate planning and charitable giving to the Endowment will encourage, support and strengthen our Christian brothers and sisters at IMCK for years to come.

The Friends of IMCK Facebook page and the website ([imck.org](http://imck.org)) are being updated regularly. Ebriefs are emailed to our database about every six weeks highlighting persons at IMCK, relating human interest stories and news items. Periodic newsletters are posted on the website. An updated video is in the works. We continue to look for ways to keep our donors informed and connected.

We are thankful for our fiscal sponsor, Medical Benevolence Foundation. We are thankful for all our donors because **YOU** keep us going and encourage us to remain committed to our mission. We would also ask for your continued prayers for IMCK in 2022.
