Bill and Diana Wesley
"The Happy Retirees"

The majority of Bill's career was spent as an electrical engineer with Motorola and Diana was an executive assistant with Amtrak. We were married at the Shepherdstown Presbyterian Church, April 2004. We are blessed with five adult children and eight grandchildren. Bill was a lifelong Washington DC resident and also has family roots in Jefferson County. Diana is a lifelong resident of WV. Two decades ago, Bill and Diana settled in Shepherdstown and are so pleased to be here. Although they have attended online service, they continue to feel included in the SPC family.

"It has been a wonderful gift for us," they say.
