

Prayer for Resurrection

Lord, open our senses to the glory of the world—
to birds, butterflies, bees, and things with wings;

Open our senses and teach us to fly!

To fish-filled rivers, lakes, oceans and seas;

Open our senses and wash us clean!

To flowers, forests, bushes afire and everything green;

Open our senses and help us to grow!

To wind and clouds, earthquake, storm and silence;

Open our senses and move us!

To sun, moon, planets, whirling galaxies and limitless space;

Open our senses and cause a rebirth of wonder!

To vast continents, nations, governments, cities and farms;

Open our senses and affirm us in oneness!

The Congregational Assent

Ruling Elder: Jesus calls us to welcome children into the full life
of our community, opening our table and hearts to those most
vulnerable, offering the wisdom of the ages
to all who hunger for truth.

Do we, who witness and celebrate this sacrament,
promise our love, support, and care to this child
being baptized as she lives and
grows in this Christian community?

We do.

How could anyone ever tell you, you were anything less than beautiful?

How could anyone ever tell you, you were less than whole?

*How could anyone fail to notice that your loving is a miracle,
how deeply you're connected to my soul?*
