

SPC PRAYERNET TRANSITION

A PrayerNet of about 90 people has agreed to pray for any of your requests (joys, concerns, hopes, alleluias). Debbie Romano has been managing this Ministry for the past several years and has passed the torch to a team of people available to respond to your requests. The current team consists of Pastor Gusti, Lynn Dampman, Jen Jones, and Mica Martin. Additional members will be added in the next couple of months.

**Please send your prayer requests to
prayernet@shepherdstownpresbyterian.org.**

You may also call the church office at 304-876-6466 during office hours (Monday - Friday, 8am - 2pm).

A couple of practical reminders as you make your requests:

1. Make sure the person for whom you are requesting prayer has given you permission.
2. Indicate whether or not you would like this request to be shared in worship on Sunday morning.
3. **If you are having a pastoral emergency (death of a spouse or child, life-threatening medical emergency, etc), please contact Pastor Gusti directly at 681-283-5314.**

If you would like to participate in our larger PrayerNet community (as one of the 90+ who have agreed to pray), please contact Lynn at the church office: lynn@shepherdstownpresbyterian.org

Please also extend your gratitude to Debbie Romano (romano.debbie@gmail.com) for her faithful ministry of prayer these many years!

With gratitude for the prayer life of our community,
Pastor Gusti, on behalf of the PrayerNet Ministry Team

Prayer for Pentecost

SPIRIT

How would it feel, then, to live
in that God-shaken house?
To feel the wind,
like the very breath of life,
like the stirring of the
deep before time,
gusting through these small
daily rooms, clattering and pressing
against doors and shutters,
not to be contained?
How would it feel to look up, eyes
dried by wind-force,
and see fire falling, flames bright
and crackling, and resting with
heat that does not burn on each
wondrous head?
To be blown open
lock-sprung
lifted
with wild reckless joy
as words tumble out into
the clear singing light?
It would feel like this,
it feels like this,
and it is still only morning.
