## Gathering Music

### Welcome

I am the wind, breathing in you and for you,  
blowing gently over you, caressing you.

I am the earth, holding you.  
Give me the weight of your body and relax into my arms.

I am the sun, warming you,  
melting away the cares of this world.

I am the mountain, always here for you,  
always here for you, always here for you.

I am a river flowing through you—through your head,  
your neck, your shoulders, your arms, your body, your legs,  
your feet. I give you peace.

I am the ocean, rising and falling,  
giving you deep beauty and rest.

I am the sky, open space never-ending,  
open space, vast and edgeless space,  
where you may float forever and ever.

I am the Light, the Light of eternal spirit.  
I am all around you. I am in this world and in all worlds, for  
I am the Light of all being.

I am peace, I am spirit, I am love,  
I am life growing into new life.

## Martin “Marty” Broadhurst

*April 28, 1932 – November 3, 2021*

## A Celebration Of Life

November 20, 2021

Marty held court on his front porch  
in sun or thunder,  
Sharing tales of life and  
pontificating wonders.  
His humor was spun from deep  
wisdom and sure wit,  
You knew he was happy  
when his eyes were lit.

We will miss his presence  
in our village's soul,  
What he offered the world  
was truth in the whole.  
We already miss his smile and  
humorous testament  
And now he is a star  
in the universe's firmament.
