

The LORD your God will raise up for you a prophet like me from among your own people; you shall heed such a prophet.

Deuteronomy 18:15

God has shown the people the power of divine work, in giving them the heritage of the nations. **Psalm 111:6**

Anyone who claims to know something does not yet have the necessary knowledge; but anyone who loves God is known by God.

1 Corinthians 8:1-2

What is this? A new teaching - with authority! He commands even the unclean spirits, and they obey him.

Mark 1:27

THE FONT OF IDENTITY

Introit (2x)

The kingdom of God is justice and peace
and joy in the Holy Spirit.
Come, Lord, and open in us
the gates of your kingdom.

Proclamation

In life and death we belong to God.
Through the grace of our Lord Jesus Christ,
the love of God, and the communion of the Holy Spirit,
we trust in the one triune God, whom alone we worship and serve.

Call to Prayer

Lift up your hearts
We lift them up to the Lord

“I Sing the Mighty Power of God”

Prayer for Wholeness

O you who are beyond all names,
help me to balance power and compassion,
as I open wide the doors of my heart
for the life of the universe to flow through.
Unfold for me your best keep secret:
how by becoming the stream of the universe,
I may learn to be playful, yet prayerful,
ever-relaxed, yet constantly alert,
always prepared, yet carefree as a child,
and so achieve the harmony of heaven.

Walk with me,
and I will walk with you,
and build the land that God has planned
where love shines through.

Power always thinks ... that it is doing God's service when it is violating all his laws.

John Adams

Having power is not nearly as important as what you choose to do with it. **Roald Dahl**

The most common way people give up their power is by thinking they don't have any. **Alice Walker**

At any given moment you have the power to say this is not how the story is going to end. **Christine Mason Miller**

POWER

Living in the earth—deposits of our history

Today a backhoe divulged out of a crumbling flank of earth
one bottle amber perfect a hundred-year-old
cure for fever or melancholy a tonic
for living on this earth in the winters of this climate.

Today I was reading about Marie Curie:
she must have known she suffered from radiation sickness

her body bombarded for years by the element
she had purified

It seems she denied to the end
the source of the cataracts on her eyes
the cracked and suppurating skin of her finger-ends
till she could no longer hold a test-tube or a pencil

She died a famous woman denying
her wounds
denying
her wounds came from the same source as her power.
