

Sing a joyful song to the Beloved all the earth, and praise Love's name; Sing in glorious exultation! **Psalm 66** (Merrill)

Thus says the Lord of hosts, the God of Israel, to all the exiles whom I have sent into exile from Jerusalem to Babylon: Build houses and live in them; plant gardens and eat what they produce. Take wives and have sons and daughters.

**Jeremiah 29:4-6**

As Jesus entered a village, ten lepers approached him. Keeping their distance, they called out, saying, "Jesus, Master, have mercy on us!"

### **Prayer for Wholeness**

O Beloved, Giver of Life, you lead us out of bondage, again and again, and yet our trust in you is fragile. We are impatient, indifferent, and self absorbed. We prefer our own gods, of self sufficiency, comfort and control. Free us yet again. Help us trust the good news of your steadfast love, that we might serve your world, fully and joyfully, in the way and in the Spirit of Jesus.

Healing begins not where our pain is taken away, but where it can be shared and seen as part of a larger pain. **Henri Nouwen**

In the process of healing others and ourselves we open to both our joy and fear. In the service of this healing we draw on our strength and helplessness, our wounds and passion to discover a meeting place with the other. **Frank Ostaseski**

God hugs you. You are encircled by the arms of the mystery of God. **Hildegard of Bingen**

"The Holy Spirit of God dwells in your heart and is no stranger to the diversity and conflict there. The Spirit dwells with and among and between all the selves of your self."

**Rev. Martin Smith**

*Season for the Spirit*

Dwell not on the past. Use it to illustrate a point, then leave it behind. Nothing really matters except what you do now in this instant of time. From this moment onward you can be an entirely different person, filled with love and understanding, ready with an outstretched hand, uplifted and positive in every thought and deed. **Eileen Caddy**

**HIDDEN WHOLENESS**

Gracious and Holy God,  
we gather this morning,  
opening to your healing power.  
We do not understand all the things  
that make us whole,  
nor the mystery of all that cripples us  
in body, mind, and spirit.  
But we do know this:  
that the presence of Christ,  
the hidden wholeness coursing  
through your wondrous universe,  
weaves from the dropped threads of unfinished lives  
a fabric of unmatched beauty.  
We come this morning,  
seeking less to understand this Healing Source  
than to open ourselves  
to its sacred flow  
released in us  
through this simple act of gathering,  
singing, praying, and holding one another  
and our beautiful, broken planet  
in your love.  
Amen

Bruce Sanguin
